I can't think of anything specific; I'm sure it could be improved but I also learned a lot as-is

Anything can be improved.

anything can improve- Anthony Valentine

Everything can improve with time and effort

Anthony Valentine said anything can improve

Talk more about business

Nothings it's amazing

Make people participate more

More expansion on what to do and what not to do

More people should come on in to speak! :)

Very little was about entrepreneurship

maybe more organization, and a clear flow

More interesting content
